

FLASHY Flamingo

Estimated Cost: ???

Labor: About 20 minutes

Suggested Retail Price: ???

Instructions:

1. Make a 4-balloon cluster of 11" "Birthday Shining Star" sized to 8" (20cm). Create a 4-balloon cluster sized to 5". Wrap these two clusters together and attach a weight to the bottom of the 8" cluster to form the base.
2. Use a straw to double-stuff one Wild Berry 350Q inside another Wild Berry 350Q. Inflate the inner 350Q to around 20" (51cm) long and tie. Tie a knot at the end of the inflated part of the 350Q. Tie this into the top of the base.
3. Make a 4-balloon cluster of 5" Pink inflated to 4" (10cm) and attach to the top of the 350Q.
4. Air inflate an 18" "Birthday Pink Flamingo" Microfoil. Roll the neck of the foil and attach to the top of the Pink cluster.

Materials:

- 1 18" (46cm) "Birthday Pink Flamingo" Microfoil® **57272, 57274** (pkgd.)
